I ♥ TEA·RRIFIC! ICE CREAM®

Hello,

I'm a regular customer of yours. There's a new company that I not only adore, I need. TEA•RRIFIC! ICE CREAM is made with hormone-free dairy, cage-free eggs, organic cane sugar, and without gums, stabilizers, preservatives, or corn syrup. That's not even the best part! Flavors like Ginger Matcha, Chunky London Mist, Chamomile, and Masala Chai simply don't exist in most store freezers.

You can contact their team directly by emailing info@tearrificicecream.com or by dialing (203) 415-2743.

Should you decide to place an order I would greatly appreciate being notified by emailing or calling me at _____. This way when you fill your freezer up I can immediately go grab some for my freezer!

Thanks for hearing my suggestion,
A Dedicated Customer
